JERRY D. OLDS  
State Engineer/Division Director

January 15, 2008

Mr. Mike Condley  
1021 E 1100th S  
Spanish Fork, UT 84660-2946

RE: Establishment of Distribution System Committee

Dear Mr. Condley:

As a water user, you are part of the Spanish Fork River Distribution System administered under the direction of the State Engineer. Pursuant to the recently established administrative rules R655-15 defining the creation and operation of river distribution systems, a distribution committee was established by order of the State Engineer for the Spanish Fork River Distribution System. A copy of the order establishing this committee and identifying the participants is attached. You have been recommended by the river commissioner to represent the individual water right owners on this committee.

Typically the committee will meet at least twice each year, once before the annual meeting and the annual meeting, which is scheduled for the afternoon of January 29.

Jay Evans was selected by the water users to be the interim committee chairman and will conduct the meetings until a new chairman is selected. Please notify the river commissioner, John Mendenhall, at (801) 798-3612 and/or Jay Evans at (801) 798-3681 as soon as possible to inform them of your acceptance of this appointment. You should also report your acceptance to the State Engineer prior to the annual meeting. Please contact Ben Anderson, Distribution Engineer at (801) 538-7469 or myself at (801) 538-7380 to report your acceptance of your appointment to this committee or if you have any questions.

Sincerely,

Lee H. Sim, P.E.

Assistant State Engineer for Field Services
